

**EK43**

# EK43

## SHOP GRINDER

### FEATURES

- Outstanding particle size spreads feature high extraction rates and the best possible taste.
- Premium cast steel grinding discs.
- Robust grinder with high grinding capacity.
- Suitable for different applications: filter, espresso, or turkish-fine coffee grinding.
- Grinding of other grists such as spices, grain, poppy-seed and linseed is possible with individual grinding discs.
- Easy and precise grind adjustment.
- Bags are simply clamped into the bag holder – no need to hold bags during the grinding process.
- The cleaning of the spout is simply done with the bag holder.
- Grind adjustment to the desired fineness is easily done by turning the grind adjustment knob.
- The hoppers can be locked with a slide plate to enable an easy exchange of hoppers with different grinding goods.
